April 2009

Greetings Friends!

This is my personal invitation to join me on Sunday, May 3<sup>rd</sup> at the annual Sunset Hall Garden Party, Celebrating Agents of Change. It is my humble honor to be recognized by the free-thinking senior members of Sunset Hall.

I will be there, not to be honored, but to acknowledge and honor all of the senior members of Sunset Hall. They are true Agents of Change! Since 1923, they have stood strong on issues that include supporting worker's rights, access to health care for all, immigration reform, civil rights, and peace and social justice internationally.

As a nation, we cannot hope for change, unless are individually responsible to be agents of that change! We must speak out for the dynamic changes needed in the U.S. and the world. Today's free-thinking senior members of Sunset Hall share in that voice for our future as a nation and for world peace!

We will be acknowledging Pete Seeger's 90<sup>th</sup> birthday. Ross Altman will be there with a great tribute performance to celebrate Pete's special day.

As a long time friend of Sunset Hall, I hope to see you there!
